World Earth Day'2023

World Earth Day is celebrated every year on April 22nd, and it is a global event aimed at raising awareness and promoting action towards environmental protection. World Earth Day provides an opportunity to raise global public awareness of the challenges to the well-being of the planet and all the life it supports. The Day also recognizes a collective responsibility to promote harmony with nature and the Earth, to achieve a just balance among the economic, social, and environmental needs of the present and future generations of humanity. In celebration of Earth Day 2023, Institution's Innovation Council of SSMIET has planned to organize competitions under the Sustainable Development Goals for World Earth Day on May 3, 2023 to create awareness about the need to save our planet and highlight the importance of nature and environment. Poster making completion is conducted in the theme of "Zero Hunger", "Decent Work and Economic growth". "Life below water", and "Life on Land". The winners of the competition are honored them to give the prizes by the President of Institution's Innovation Council of SSMIET, Dr. K.Vinoth Kumar, Professor/ECE and Vice President of Institution's Innovation Council of SSMIET, Dr.M. Rameswari, Professor & Head/Maths. The principal appreciated the efforts of the students. He also encouraged them to continue taking steps towards saving the planet.
