CHILD MARRIAGE PROHIBITION

REPORT

On 25.12.2019 (Monday) Mrs. S. Kausalya from Rediyar Chatratra Union office, Jhansi Rani - Admin OSC and Thavachelvi - OSC with our NSS members went to kariyagoundampatti school, neelamalaikottai and explained in detail to the children about the problems caused by child marriage. This event started at 11.00 am. Around 35 children participated with great enthusiasm. Their explanation of Causes and Impact of Child Marriage are as follows :

Child marriage is no less than exploitation of right. In almost all places, the child must be 18 years and above to get married. Thus, marrying off the child before the age is exploiting their right. They are not mentally or physically ready for it, yet it falls on them. Further, their health is also put at risk due to the contraction of sexually transmitted diseases like HIV and more.
