Entrepreneur s details (2017-2021 Batch)

Introduction:

Thilak .R .N is a dynamic entrepreneur with a passion for quality food and keen business acumen, is the founder and Managing Director of Jho Enterprises, a thriving food wholesale company specializing in high-quality ingredients and products.

Background:

Originally from a family with a traditional village heritage, Thilak developed an early appreciation for the importance of premium ingredients in creating exceptional dishes. With a degree in Business Administration and a focus on supply chain management, he combined his love for food with a strategic understanding of the industry.

Entrepreneurial Journey:

After gaining experience in the food industry and recognizing a gap in the market for top-tier ingredients accessible to businesses, Thilak founded Jho Enterprises in **2020**. His goal was to bridge the divide between high-end suppliers and local businesses, ensuring that restaurants, cafes, and retailers had access to the finest ingredients at competitive prices.

Business Model:

Jho Enterprises operates on a unique business model that emphasizes direct relationships with farmers, producers, and artisanal manufacturers. By cutting out unnecessary intermediaries, Thilak ensures that his clients receive the freshest and highest-quality products while maintaining cost-effectiveness.

Product Range:

The company's product portfolio spans a diverse range, including premium meats, organic products, exotic spices, and specialty Packing items. Thilak takes pride in introducing global products to the local market.
