World Water Day 2024: Ensuring Water Security for Future Generations

Report on World Water Day Celebrations 2024

Date: March 22, 2024

Venue: Auditorium above Mess, SSMIET

Introduction:

World Water Day 2024 was commemorated with fervor and enthusiasm at [College Name], where a series of engaging and educational competitions were organized to raise awareness about water-related issues and promote sustainable water management practices. The event aimed to harness creativity, innovation, and dedication towards preserving this vital resource while fostering meaningful dialogue and collaboration among diverse stakeholders.

Competitions:

Participants of all ages showcased their talents and concerns about water conservation through various artistic mediums, including:

Hydrathon (Presentation): Participants presented research papers on topics related to water conservation, scarcity, pollution, and sustainable management practices.

Aqu(A)Iz (Quiz): An interactive quiz challenged participants' knowledge about water-related facts, issues, and solutions.

Fluid Frame (Short Film): Creative short films depicted the beauty of water ecosystems and highlighted the challenges posed by water scarcity and pollution.

Hydrama (Drama/Skit/Mime): Theatrical performances explored narratives surrounding water conservation and the impact of water-related issues on communities.

Scribe & Tide (Poetry): Poets expressed their thoughts and emotions about water conservation and sustainability through eloquent verses.

Meme Splash (Meme Creation): Participants crafted humorous yet thought-provoking memes to raise awareness about water-related issues.

Splash Spectra (Talent Show- Dance/ Singing/ Mimicry/Speech Etc.): Diverse talents were showcased, ranging from musical performances to dance routines, with water conservation as the central theme.

Participants and Guests:

A total of 81 participants from various colleges, including [List of Colleges], enthusiastically participated in the inter-college meet. The function was graced by

esteemed guests, Dr.N.Sampathkumar,Dr. C. Sujatha, Dean of Computing Sciences, and Dr. G. Shanmugam, Dean/First year, who presided over the event. Dr. S. Karthigailakshmi, Dean/Academics, and Dr. C. Sujatha distributed prizes to the winners.

Organizers:

The successful execution of the event was attributed to the diligent efforts of Mrs. S. Kavitha, AsP/Maths, and Ms. R. Vithyadevi, AP/Maths, who organized the programme meticulously. Mr. K. Surendharnath, President, and Mr. Syed Musharaf, Vice President, of Humane League, monitored all arrangements, ensuring a seamless and memorable experience for all participants and attendees.

Conclusion:

The World Water Day celebrations at SSMIET by Humane League served as a platform for individuals to showcase their creativity, innovation, and dedication to water conservation. Through artistic expressions and thoughtful discussions, participants contributed to raising awareness and driving positive change towards achieving water security and sustainability for future generations.

Acknowledgement:

We extend our heartfelt thanks to all participants, guests, organizers, and supporters who contributed to the success of this event and demonstrated their commitment to water conservation and sustainability. Let's continue to work together towards a water-secure future for all.

Water Day event

Humane League of SSM Institute of Engineering and Technology and SSM College of Arts and Science, Dindigul organised World Water Day celebration on March 22. The event included quiz contest, talent show, short film, poetry, meme creation, topical presentation and drama. The event was organised by members of Humane League under the guidance of the coordinators of the Humane League Professors S. Kavitha and R. Vithyadevi.

World Poetry Day

World Poetry Day was celebrated at Alagappa University, Karaikudi on March 22.

S.Venkateswaran, Former Director and Professor, Regional Institute of English, Bengaluru, in his keynote address, said beauty of poetry lies in its language such as syntactic patterns, semantic relations and other stylistic nuances. He cited examples from the poems of Caribbean, Nigerian, African-American, Indian, and illustrated various devices used by non-native poets to convey the issues confronted by them. M. Pandi, former Head, Department of Tamil, Alagappa University, spoke on Tamil poetry through the ages beginning with the Sangam Age. He gave many illustrations from the works of poets such as Thiruvalluvar, Kambar, Elango, Kalamegapulavar, Auvvaiyar and Subramania Bharathi and dwelt with the focus of the evolving 'New Poetry' whose beauty lies in the crisp words and vivid images.
