Circular

It is planned to launch “Astronomy Club of SSMIET” in our institution. In-order to create awareness about the Astro club and to inform the membership details to I-year students, it is decided to conduct a Astro- Talk technical program for the interested I-year students on 20.02.2023, 02:00 p.m. The program will be conducted by the Astro Club student members of SSMIET at Seminar Hall 01.

Hence, the students those who are interested in the space watching, gazing stars and planets are asked to register their names with their respective mentors for attending the program. The students attending this program will be given priority to the Astro club student membership.

SSMIET SPACE CLUB Members

Hello Curious Minds,

Delighted to initiate a Space Club in our college to enhance the Space Science and Technology knowledge among students. It's an exciting field with so much potential for innovation and discovery.

The main objective of our club is to help the students to achieve in National and International stages, to make a space society, motivate students to create more innovation in space industry.

Therefore, we lead the initiative of conducting various outreach programs, seminars, webinars and all other stuffs in collaboration with sci-communities' are looking forward in connecting with all young curious minds by enhancing science among people.

Let You Traverse Beyond the Cosmo limits.
